

Chief Report for 12/23
And 1/24

- We have responded to 5 EMS 2 Fire Calls 1 Public Assist
- Ended 2023 with 51 calls
- There has been 2 capital expenses 4700\$ for a 2007 ford F150 we won from a silent bid on a surplus vehicle from BSFD it will be utilized for transporting new crew boat for repairs/maintenance, filling fuel cells and using as a shuttle from UCFRD parking off site location for Co-Op the 2nd was the aluminum platform that sits on our wooden structure where our generator was charring our wooden platform costing 3055\$
- Everyone knows we had 2 structure fires 1 in November at the old boathouse restaurant/welcome center the other was a generator platform that caught fire was extinguished no injuries at either fire
- I have spoken to 2 generator companies about the platforms being corrected I hope that island residents make the appropriate repairs
- We had the station outside cleaned up Sherman and a few off duty firefighters assisted with the clean up
- I have been on the hunt for a crew boat that is been very trying but I am confident we will have one by end of month
- We have hired 4 additional Medics and 2 additional EMTs
- Need to address the boats at Safe Harbor
- Any Comments Questions Concerns
