

## Chief Report for 3/15

- We have responded to EMS Fire Calls (will give verbal)
- Total Calls
- No New Capital Expenses or Disposals
- We are looking forward to the CERT Training last checked. We have 16 participants.
- Received 2 quotes for the station facelift from hurricane Ian
- FEMA is progressing hopefully the check has been signed and sent back
- Alex Murphy provided the top 10 lots/addresses that need to be addressed for being overgrown with brazilian pepper trees.
- Contract for parking signed with Mosquito Control
- Will be signing contract with county for CO-OP 3/15
- I apologize for the delay in the report and it being short being a long couple weeks with planning/organizing CERT and St Patty's day parade and fundraiser.
- Any Comments Questions Concerns
