- Total Calls YTD 16 EMS & 8 Fire related calls
- 1 capital expenses 0 Disposals (Z-Vent}
- The crew boat has been operational since the 1st of the month. We are appreciative to the board for allowing us to purchase a boat that will hold up to all inclement weather conditions. We had a couple really nasty days and the boat performed fantastic.
- FEMA- Meeting will be held at 3pm on 20th. Will provide a verbal update at the meeting.
- The Annual Audit is nearly complete. Bill has been a huge help in this as he was more familiar with the process. Between he and I along with bookkeeper Hutchinson by Friday afternoon they should have all necessary information.
- VFIS has sent a notice of cancellation due to all the lawsuits from previous Chiefs. I am making calls on the 20th to see what our next step is for coverage. Debbie from Sampson and Sons who is our current broker is aware and has been shopping for rates.
- 3 quotes on garage doors and openers have been received this will be on my Capital Expense Request for next budget year. Will be ready for the next meeting. Along with my other Capital requests.
- As the 4th approaches I know this becomes a stressful time for some residents due to fireworks. Melissa Heberle has created a fireworks PSA we will run on the webpage along with our other social media.
- Any Comments Questions Concerns
