

Chief Report for 7/19

- We have responded to 3 EMS 0 Fire Calls (service call)
- Total Calls YTD 33 calls will provide verbal EMS vrs Fire
- 1 capital expenses 0 Disposals (Skid for R192)
- We have set up fuel delivery for the boat at the dock. A1-Marine is delivering fuel with zero delivery fee if we purchase 100 gallons or more. We are filling up roughly every 3 weeks.
- FEMA- Commissioner Fry and I are hopeful to close out the claim this upcoming month. I will have an inventory ready for the next meeting.
- VFIS update. I sent Debbie, our broker, an email asking when our current insurance policy will expire. September 10th is the date.
- I did my very best to execute a budget that is fiscally sound and obtainable. I look forward to discussions with each commissioner if they have any questions.
- The 40% deposit has been wired and has cleared. Les with Aktiv has re-measured the windows and will be ordering them Monday along with roof supplies. I look forward to having the station repaired.
- July 4th was a success in my opinion. We have a few shirts left if you should be interested.
- Any Comments Questions Concerns
